

## Forensic Accountant- Intact Insurance- Full Time- 700 University Avenue, Toronto, Ontario.

We value diversity and are committed to creating an inclusive workplace that inspires each of us to be the best we can be. Join our team and make a difference! At **Intact**, the largest P&C insurer in Canada, you will have the opportunity to confront challenges in the Ontario Claims department.

The successful candidate will support the claims adjusters in the adjudication of claims, particularly with regard to business interruption and loss of income calculations. They will be responsible for analysing and calculating the loss incurred by the claimant following an accident by analyzing the accounting records provided. The candidate will provide to the claims adjuster the amounts payable to the insured to conduct a fair and equitable settlement. They will also engage in knowledge transfer to the adjusters regarding effective handling of claims with such calculations.

- Verify the validity of the claim for business/income loss
- Analyze financial documents provided while respecting the commitments and obligations to the claimant
- Listen to and anticipate the needs of the claimant and offer the best solutions
- Meet the claimant and his accountant when required, in collaboration with the expert in charge of the file loss. May require occasional travel
- Communicate the results in a clear, precise and simplified manner to the claims adjuster or the claimant, adapting communication style accordingly
- Provide fair and equitable settlement that will consider the policy, standards, rules, applicable laws and following company processes
- Offer technical support to adjusters and team leaders, ensuring timely follow-up
- Develop efficient workflows and processes to ensure timely resolution of files
