Team Lead, Audit Projects

Bring your financial expertise and leadership skills to this unique opportunity

Salary \$67,083.42 - \$76,636.54 annually

The Team Lead, Audit Projects leads an audit team engaged in auditing complex large multi-faceted audits of medical practitioners, health care practitioners, labs, medical facilities and private clinics. As the ideal candidate, you have excellent analytical research skills to gather and interpret information, apply legislation, and establish evidence to support audit assessments. You are highly advanced in professional communication and have the negotiation skills necessary to finalize proposed assessments and resolve contentious issues.

Qualifications for this role include:

- A professional accounting designation CPA (CA, CGA, CMA) in good standing and five years of experience in accounting/auditing (including a minimum of three years of audit experience).
- Supervisory Experience
- Experience working effectively with external stakeholders
- Experience managing complex concurrent projects
- Preference may be given to individuals with a CFE or CIA certification

The BC Public Service offers training, growth and development opportunities; a competitive benefits package; a pension plan that ranks among the best; and a balance between work and life commitments. For more information about opportunities and benefits please go to [What We Offer](#).
