The Opportunity: Director, Forensic Services – Ottawa

Forensic Services is a highly dynamic and diverse group of professionals who assist clients with the investigation and prevention of financial fraud.

Members of the Forensic Services group include Chartered Accountants, Investigative and Forensic Accountants, Certified Fraud Examiners, former Law Enforcement Agents and Computer Engineers who bring together unique skill sets and experiences.

The Forensic Services group offers clients an array of services/products including:

- Litigation dispute services
- Fraud and Financial Investigations
- Forensic Accounting
- Fraud Prevention and Vulnerability Assessments - Anti-fraud Regime
- Corporate Security Consulting
- Background Intelligence Screening Process
- Computer Forensics
- Electronic Discovery
- Cybercrime Investigations
- Post-Acquisition Investigations
- Money Laundering Investigations

Dealing with fraud and financial investigations requires more than simple know-how. It requires speed, sensitivity and discretion. Forensic Services members understand the importance of reacting quickly and confidentially to a crisis situation.

The available Director position has a focus on forensic accounting services, supporting the senior members of the team in helping clients with an assessment of their anti-fraud regime, review of internal controls, and/or investigation of alleged fraudulent activities.

Responsibilities:

- Lead client engagements
- Performing client pre-acceptance procedures including conflict checks, client investigation checks and drafting engagement letters
- Coordinating with clients to obtain the necessary information to perform the agreed upon services;
- Preparing high quality investigative reports for delivery to clients detailing procedures undertaken, results, limitations and recommended actions
- Preparing external working paper files with documentation of procedures performed and evidence obtained

Requirements:

- 5-10 years of experience in forensic accounting/fraud examination and working as part of a project team in a senior support or lead role
- University degree, in a related field
- Ability to obtain Federal Government Security Clearance at the Secret Level
- Fluently bilingual (English & French) is an asset
- CA / CPA designation preferred

- Successful completion of the Certified Fraud Examiners “CFE” preferred, or on track to completion within one year of joining the Forensic Services practice.
- Strong oral and written communication skills
- Experience in client-facing consulting / advisory work
- Experience with Microsoft Word, Excel and PowerPoint, etc.
- Strong track record of internal policy compliance (e.g. time sheet, status reports, etc.)
- A high level of personal integrity and energy, a commitment to teamwork and a strong desire to learn
- An ability to work under tight deadlines and pressure
- Ability to travel

Why Work for PwC

Our employees make an impact with their dedication to client service, creativity, and high performance. Whatever your passion is, the opportunities available to you at PwC will help you realize your career aspirations.

PwC is committed to building a diverse workforce representative of the communities we serve. We encourage and are pleased to consider all qualified candidates, without regard to ethnicity, colour, religion, sex, sexual orientation, gender identity, aboriginal status, age, disability or persons who may require an accommodation, to apply.

This role does not support completion of the Canadian CPA designation.
