

### *“Forensic Accounting, Audit Rights, & Construction Contracts”*

The construction industry has seen “highs and lows” during the past year as a continuing “essential business”, particularly in light of COVID, and claims for increased cost of performance, and reduced productivity, are looming on the horizon

Come join us for an entertaining one hour presentation regarding the various ways in which Canadian Construction Contracts routinely engage audit rights and the need for a proper accounting of contract changes and extras claimed, and how such claims are relevant to forensic accountants...
